

Scarf Trio

Designed by Nancy Livengood

These 3 easy scarves will work up quickly. I found clearance suede yarn, there were only 3 skeins of each color. This is what I came up with to use the yarn. If you have more yarn and want a longer length, just keep going until you get the desired length. On the solid scarves, I just went until I ran out of 2 skeins of yarn each. Then I had one skein left of each color to do the two tone one. I hope you enjoy these patterns and as always you can visit my website and e-mail with questions or comments.
